WORDS FROM OUR GUESTS

"We have used this wonderful outfitter service **3 times over 4 years**, and they never disappoint. They know everything about biking, the local area, logistics, and they are **friendly & professional**. We highly **recommend the 4-day trip** if you are avid bikers. It is a bit athletic but well worth doing, and you won't have anything to worry about because **Pocono Biking takes care of all the difficult stuff**. reservations, luggage, and emergency repairs!"

-Sue B. (Harrisburg, Pennsylvania)

"I have biked in **over 27 countries & numerous US states**. The D&L trail, complete with scenery, history, and interesting towns, is **one of the best. Definitely world class!**"

-Paul F. (Ocean Grove, NJ)

"The D&L is as good as the **best trail rides in Europe**"

-Frank M. (The Netherlands)

"We only used one other bike touring company before Pocono Biking, which was a big company with trips all over the world. **Your small family business outdid them in every possible way**. Phil and I thoroughly enjoyed everything about it and want to do it again next year because I'm determined to do the whole enchilada without using the SAG van! Thank you again to the whole team and **don't ever lose your love for your business, it is amazing!**"

-Becky B. (Apex, North Carolina)
