WORD-OF-MOUTH IS HOW WE ROLL

*don't take our word for it,
listen to our guests!*

"We used one other bike touring company before Pocono Biking, which was a big company with trips all over the world. **Your small family business outdid them in every possible way.**"

-Becky B. (Apex, North Carolina)

"The level of customer service provided by our guides from start to finish was unmatched. Our guides never hesitated to check up on us and provide us with tidbits of information throughout the ride. Their presence throughout the ride was **reassuring without being overbearing.**"

-Vanessa L. (New York City, New York)

"The D&L is as good as the **best trail rides in Europe**"

-Frank M. (The Netherlands)

"Did the four day inn to inn trip from Glen summit to Washington crossing. Absolutely wonderful! **The trip itself was beautiful with none of the legs being too long or difficult.** Each of the overnight accommodations were excellent. **The staff was superb** and very helpful with the few mechanical issues that occurred. The entire trip was well thought out and executed. **I highly recommended this excursion!**"

-Chuck S. (Harrisburg, Pennsylvania)
