WORD OF MOUTH

"We used one other bike touring company before Pocono Biking, which was a big company with trips all over the world. Your small family business outdid them in every possible way."
-Becky B. (Apex, North Carolina)

"The D&L is as good as the best trail rides in Europe"
-Frank M. (The Netherlands)

"The trip itself was beautiful with none of the legs being too long or difficult. Each of the overnight accommodations were excellent. The entire trip was well thought out."
-Chuck S. (Harrisburg, Pennsylvania)

We're not bad with bikes either!

If you're looking for a **hybrid/comfort bike**, **gravel bike**, or an **e-bike**, we have one to suit your riding style! These are available on all trips, from the single-day trips to the 6-day inn-to-inn tour!
